

# MEDAMA

## ALL PURPOSE NEUTRAL SUPER DEODORIZING CLEANER

- This all purpose neutral cleaner can be used on any surface not harmed by water.
- Super deodorizing qualities improve long term odor control due to digestive action by active enzymes.
- Can be sprayed or mopped on. No need to rinse!
- Degrades residual organic soils that can cause odor and harbor unwanted insects and pests.

## DIRECTIONS FOR USE

For cleaning, degreasing and deodorizing of heavily soiled surfaces, dilute this product at 4 ounces per gallon of hot water for the first week and then 2 ounces per gallon of hot water thereafter. Apply liberally by spray or with mop or sponge. Scrub with floor machine or stiff bristled brush. Mop or vacuum up excess. Rinsing is not required. Allow to air dry.
